	Command Economy	Market Economy	Free Enterprise Economy
GOVT'S ROLE	Government controls the production and distribution of goods and services.	Government does not control the production and distribution of goods and services.	Government does not control the production and distribution of goods and services.
HOW TO PRODUCE	Government decides how to produce goods and services.	Producers decide how to produce goods and services.	Producers decide how to produce goods and services.
HOW TO DISTRIBUTE	Government decides how to distribute goods and services.	Producers decide how to distribute goods and services.	Producers decide how to distribute goods and services.

Remember: government is always a part of every economy, even in a free enterprise economy.

“Teachers and students have gone through a grueling year. The last thing we should do is recreate learning environments that isolate students and feed them rote exercises with a catch-up mindset completely outside of the context of teacher-driven lessons. We must be focused on acceleration, not remediation so that every hour in the classroom counts.”

Dan Cogan Drew
Chief Academic Officer, Newsela

THE FOUR TYPES OF ECONOMIC SYSTEMS

Comparing economic systems capitalism communism and socialism newsela answers. Newsela comparing economic systems answers.

While Native Americans and British settlers in the New England territories were primarily seeking a mutual relationship based on commerce and a shared commitment to spirituality, soon disease and other conflicts led to a deteriorated relationship and eventually to the First Indian War. Educational Resources in Your Inbox Join our community of educators and get the latest information on National Geographic resources for you and your students. sign up here Every year, Griffin students are given the opportunity to participate in the National Geographic Bee, testing their basic knowledge of geography and locations around the world. A \$194; 160; The winner of the Griffithin226; 128; A the national geographic competition of Bee will have the opportunity to represent Griffin Middle School at the state competition, with the opportunity to benefit from the national competition. For students competing in the National Bee, the winner of the Bee receives a \$50,000 scholarship, a lifetime subscription to National Geographic magazine, a trip, and a \$500 cash prize! Students of Mr. S.S. class shorts will begin this process on Thursday, January 5, participating in the preliminary competition (Class 8&A After this race, a winner will represent our class at the School Bee when it is held in a few weeks. For students wishing to prepare for the National Geographic Bee, the National Geographic Society has created a Study Corner, including Lesson's Plans, a Geography Quiz, the Geobee Challenge App, and a Kahoot! Game. These resources are available at the following link: National Geographic Bee Study Corner
