To speak to a Tennant representative about leasing, financing, or rental, please fill out the form below and a you will be contacted shortly. Tennants M17 Battery Sweeper-Scrubber increases productivity with features designed to maximize efficiency and provide high-performance results. Choose between two sweeping system options: Dual Force Sweeping (DFS) for larger, heavier debris and pallet chips less than 15 cm long or Direct Throw for longer pallet chips up to 55 cm and finer debris like dust and sand. The optional pressure washer delivers a 2500 psi spray to clean tough soils while the optional live wand quickly picks up miscellaneous lightweight debris like shrink wrap. Transform cleaning operations with optional Pro-Panel technology, which integrates multiple cleaning settings, a rear-view camera, and on-demand videos into an intuitive, highly visible touchscreen. Increase productivity and ease of use with the Touch-n-Go control panel featuring 1-Step start button that remembers previous settings. Please use the contact form below to enquire about this machine. You can also alternatively email us at info@careycleaningmachines.com. Please visit this URL to review a list of supported browsers. Contact Us Tennant Company is a recognized leader of the cleaning industry. We are passionate about developing innovative and sustainable solutions that help our customers clean more spaces more effectively, addressing indoor and outdoor cleaning challenges. We invite you to join us as an employee, investor, customer, supplier or interested community member as we lead our industry globally and fulfill our vision to bring to market sustainable cleaning innovations that empower others to create a cleaner, safer, healthier world. See how you can help us and we can help you change the way the world cleans. 72,784 followers 5mo We're incredibly proud to have been awarded by TIME as one of the world's best companies in sustainable growth—and one of just 117 U.S.-based companies—for 2025. To earn a spot on the list, high revenue growth and profitability compared to industry peers were just one requirement. Companies also had to show unusually small carbon footprints (via Scope 1, 2, and 3 emissions, representing direct, indirect, and supply chain emissions), low water consumption and waste production rates, and high green energy usage. This award affirms the work we're doing to grow Tennant Company while tackling ambitious sustainability goals through our sustainability framework, Thriving People. Healthy Planet. View the full list of companies here: 72,784 followers 6h Edited What started as virtual collaboration tools during Covid have now become integral to the design and development of Tennant's new products—video game technology, virtual reality headsets, and electronic whiteboards. These tools enable our teams to design products, like the X6 ROVR robotic scrubber, with what John Ickes, Director of Design & Innovation, calls speed to confidence. Thanks to Patrick Kennedy and The Minnesota Star Tribune for sharing Tennant's commitment to innovation and investing in research & development. 72,784 followers 1w Were excited to share that Tennant Company has received a Bronze EcoVadis Medal, placing us in the 76th percentile among companies in our industry and recognizes Tennant as a carbon management leader. This achievement reflects our commitment to sustainability, driven by the integration of the Thriving People. Healthy Planet. sustainability framework into our business strategy. Additional achievements that helped us earn a bronze medal include: Science Based Targets initiative (SBTi)-approved near- and long-term net zero targets Best-in-class greenhouse gas (GHG) management systems ISO - International Organization for Standardization 14001 and ISO 45001 certifications Endorsement of the United Nations Global Compact (UNGC) and United Nations Sustainable Development Goals (UN SDGs) Substantial progress in energy efficiency, waste reduction, and labor & human rights Were proud of our progress while also recognizing the importance of continuous improvement. As we move forward, we're committed to enhancing our reporting and expanding the coverage of our sustainability and social practices to ensure even greater impact. Thank you to our team members and partners for their dedication and support in achieving this milestone! We are closely monitoring the macroeconomic uncertainties, particularly those surrounding tariffs, demand, and broader economic conditions. We are focused on implementing mitigation strategies to address known tariffs through supply-chain actions and pricing initiatives." - Dave Huml, President and CEO 72,784 followers 1mo Last week, employees in our Italian facilities received a chocolate egg as a gift in celebration of the Easter holiday. The eggs were purchased from Make-A-Wish Italia, a non-profit organization dedicated to granting wishes for seriously ill children. The proceeds from the purchase of the eggs help children get their wishes granted from Make-A-Wish. 72,784 followers 1mo Yesterday we launched the latest addition to our lineup of robotic cleaning machines: The X6 ROVR autonomous scrubber! We're thrilled to introduce this productivity powerhouse, powered by Brain Corp BrainOS technology. 5,516 followers 1mo We're so done hiding this beauty under a sheet. It's time for the X6 ROVR's public debut! The latest addition to our robotic scrubber line-up is sure to knock your socks off. Less effort, more autonomy. Maximum coverage, minimum downtime. Next-level maneuverability. Tennant Company reposted this President & CEO at Tennant Company Board Member Global Growth Innovation Authentic Leadership 1mo Congratulations to Attila Gorbai and the TENROM team celebrating 20 years of success in Romania! I was grateful to be able to participate in the week's activities which included an all employee town hall, customer open house to highlight our service capabilities, recon business and product/parts inventory. The Tenrom team hosted a fantastic customer reception for over 250 customers, channel partners, and cleaning industry associates. I was also pleased to meet with the leadership teams from Czech and Slovakia to review 2025 growth plans. Exciting times ahead as we turn the page from a successful first 20 years as Tenrom to a very bright future for Tennant Romania and the entire Central and Eastern European region. The Future is Now! 72,784 followers 2mo It's #NationalCleaningWeek and we're kicking it off with appreciation for the crew that keeps our headquarters clean and healthy! Whether it's ensuring the restrooms are stocked and clean, the fitness center is sanitized, or the floors are vacuumed (and so much more!), this team keeps the building sparkling. 72,784 followers 2mo To celebrate Women's History Month and International Women's Day, teams around the globe are participating in volunteer activities, personal development opportunities, and community building. We stand together in solidarity, champion one another, and reinforce Tennant Company's commitment to an inclusive, fair, and supportive workplace. #IWD2025 #AccelerateAction #TennantGivesBack Secure, fast delivery Easy returns In-House Engineers After sales support Clemas have a team of extensively trained engineers based in 3 locations across the UK on the road and ready to fix.
