We are thrilled to introduce the new LEO app. Here are some of the highlights: Light and Dark Mode support, Light and Dark Mode Redesign for faster access to all of Leo's features, New design, easy access to all features. Completely revised vocab trainer with significantly more features, ease of use for stress-free learning and hassle-free access to settings, and an improved layout of the statistics page. Vocab trainer learning progress. Two operating systems, one design. Even if you switch from Android to iOS or vice versa, the design of our app stays the same. We hope you like the new LEO app - and as always we will appreciate your feedback either in the forum or in an Email to the LEO Team. Dear users, We are excited to announce a new offer for schools interested in LEO Pur: Are you a teacher using LEO's dictionaries in your classroom? Would you like to introduce your students to learning with LEO's Trainer? Sign up for a year of "LEO Pur" starting from just EUR 150 and enjoy all our websites without advertising or tracking. Get in touch with us to find out if "LEO Pur in the Classroom" is the right fit for you. The offer is valid for all schools up to secondary level II/level 3 of the ISCED or similar. All your school needs is a static IP to make use of the offer. Dear users, LEO Pur subscribers already enjoy the benefits of faster load rates and less distraction by adverts. In an effort to make our subscription offer even more attractive, we have added another improvement. LEO Pur The layout of our ad-free version is now more spacious: The areas normally taken up by invisible advertising banners are now completely hidden, leaving more space for search results, forum discussions, our grammar or Practical French Usage guide. If you are already a subscriber we would love to hear your feedback and if you are still in two minds about signing up to LEO Pur maybe this will sway your decision? We would be delighted to welcome you.
