LONDON (AP) — English sparkling wine has been gaining prestige in recent years, with some experts comparing it to Champagne in taste and quality. Globally, the sector remains relatively small. IWSR Drinks Market Analysis reports that sparkling wine produced in the UK accounts for around 0.2% of the global volume of sparkling wines. But sales are growing: the volume of brilliant wine produced by the UK increased by almost 11% from 2015-2020, the report said. "Perhaps 10 years ago, there were only two or three wines w/LOS ANGELES, December 27, 2021—The science of the Lord meets the science of the music in the new TikTok Hair Challenge of K18 that encourages fierce hair Flips for an opportunity to win \$1,000 to Sephora (12/27) The actress continues to use her platform to elevate the work of Black fashion designers.
