To slab or not to slab, that is the question. A repository for great answers to frequently asked questions about coin collecting and related subjects is a discussion forum for people to share their expertise. In this section, people can post photos of their coins along with detailed descriptions to get opinions on what their coins are worth. Looking to get the community's take on a particular quarter and some other coins, including an old issue with die scratches and a rare find from the Coinstar finds thread. There are several topics of interest, such as the authenticity of a 1909 S VDB Lincoln Cent, the condition of a worn-out 1878-CC Morgan Dollar, and the results of a population report from the summer of 1990. Collectors can also share their Seated Liberty images and discuss Gobrechts and restrike coins. Furthermore, some members are seeking help with a coin punch board and trying to buy raw Proof Like (PL) or Die Marked Plated (DMPL) coins on eBay. The forum is filled with interesting discussions and quotes, including one about the significance of a MAC sticker on 1966 Kennedy Shield Strikes.
