Name _____ **LESSON 58B**
 Date _____ **Math 2**

Write a number sentence for the story. Write the answer with a label.

1. Seven children chose chocolate chip cookies, three children chose ice cream, and eight children chose peanut butter cookies. How many children chose cookies?

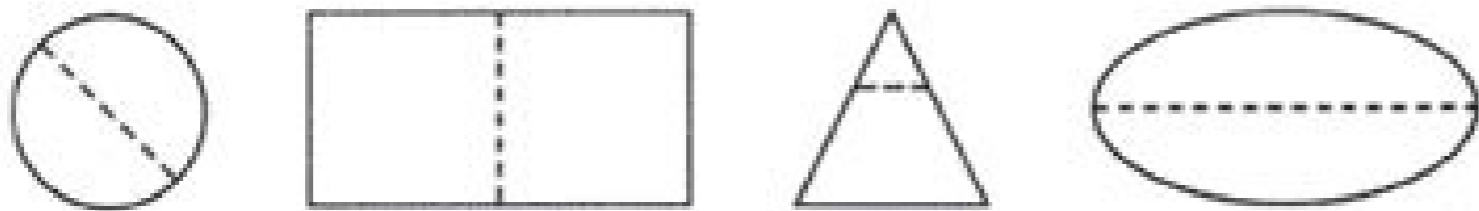

Number sentence _____

Answer _____

2. Circle the numbers that are between 46 and 55.
 Put an X on the number that is not between 46 and 55.

54 47 50 49 43

3. Someone drew a line of symmetry in each shape. Circle the shape with the incorrect line of symmetry.

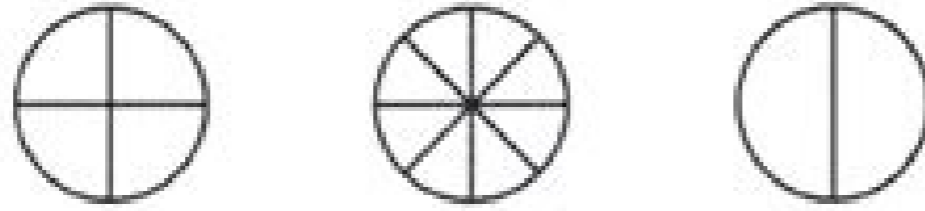

4. Find each answer.

$95 - 10 = \underline{\quad}$
 $\begin{array}{r} 52 \\ + 10 \\ \hline \end{array}$
 $\begin{array}{r} 69 \\ - 10 \\ \hline \end{array}$
 $\begin{array}{r} 21 \\ + 10 \\ \hline \end{array}$
 $\begin{array}{r} 84 \\ - 10 \\ \hline \end{array}$

$38 + 10 = \underline{\quad}$

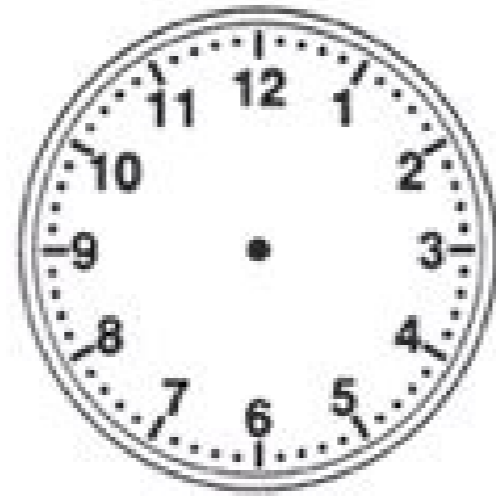

5. Color one fourth green.
 Color seven eighths yellow.
 Color one half red.

6. What time do you usually go to bed at night?

Show the time on the clocks.

Grade 7 review math worksheets.pdf

The second part of this unit compares and contrasts two texts, Poison Dart Frogs Up Close and Deadly Poison Dart Frogs. Included are released questions from previous NYS tests. For this, print scaling or fit-to-page must be set in your printer settings. The answer keys are detailed and student friendly and could be projected and shared with students. Screen readers are appropriate for students who are trained to use the software and who use it in the classroom, including those who are blind or have a visual impairment. Therefore, I typed up all of the multiple choice questions and short response questions to make it more kid friendly. Included in this packet are: *Response journal for each lesson of the domain (1-12). These printables and writing templates are a great supplement to your work in English class, and especially helpful for after school or Saturday tutoring, or the crunch time getting ready for Regents exams in January and June. Words are sorted by topic and are therein alphabetical order within each topic. Product includes passcodes to four video lessons with questions on the Qin, Han, Mauryan and Gupta Dynasties. A great assessment resource to assign to your students for homework, classwork, practice, or review for a quiz, test, or exam. The 35 multiple choice questions in this worksheet focus on Types and Composition of Bedrock in Different NYS Regions Geological Age of Bedrock Identifying Fossils in NYS Bedrock Using and Reading ThPage 17 NYS Regents Style Stimulus-Based Multiple-Choice, US History This product is a stimulus-based multiple-choice assessment in the format of the new New York State Regents examinations. Each problem reviews a concept that is on the test. Each word is presented within a mini graphic organizer with the science vocabulary word already written. Do you use Engage NY's math modules? Go to the Global menu and go to "Formatted Braille Importer." Check the checkbox labeled "Read formatted braille without interpretation" and activate the OK button. You will not need to use the module for any other resources except the assessments if you choose to do those. Do not use print scaling or fit-to-page in your printer settings. Use these math drills to teach and reinforce the fundamentals, or as test prep. SMART file includes separate pages for fluency practice, application problems, concept development, problem sets, exit tickets, homework, & HW Answer Keys Interactive with timers for fluency drill. Numbers bond practice 2. This game was created by 2 experienced 5th grade teachers and aligned with the math standards and exam content. U: Equation solving and Basic Algebra U2: Proportions and Percents U3: Set Notation and Inequalities U4: Algebraic Word Problems U5: Area and Volume U6: Trigonometry and Pythagorean Theorem U7: Graphing Functions U8: Properties of Linear Functions U9: Systems of Equations U10: PoNYS ELA Grade 3-5 Test Prep Posters After going to the Rochester Area Literacy Council workshop recently, I created posters to use in my classroom to support some test prep that we're incorporating into fourth grade. You can also print on regular paper and it will work just as well. Enjoy! This is a review sheet that students can use in class or for homework to prepare them for the NYS Math, Gr. 2, Module 7, End of Module Test. Many of these tasks are based on actual questions from the 4th grade state test exam in New York, which gives students plenty of exposure and allows them to become familiar and confident with the exam. Review topics include: Culture, Economics, Environment, Foreign Policy, Geography, Government, Immigration & Migration, Reform Movements, Presidential DecisPage 24 Make your math kindergarten lessons run smooth...Interactive, detailed lessons following NYS Engage NY lesson plans for your SmartBoard! Includes Fluency Practice drills, Application Problem activities, interactive Concept Development activities, and Problem Sets. This bundle contains 4 days of full, ready to go 45 min. It is a guided reading/review packet that allows students to create their own review and study independently. The material on these tests is non-secure. They are used to convey non-textual information such as maps, paintings, graphs, and diagrams. For optimal compatibility with our testing platform, assistive technology products should comply with the User Agent Accessibility Guidelines (UAAG) and support the ARIA recommendation. The practice notebook includes: 1. I made this ten week pack to help prepare my second graders for the NYS Common Core required G.R.A.I.R (guide)Page 13 Third Grade NYS ELA Module 4 Unit 3 Writing and Speaking about the Challenges and Solutions to Clean Water: Creating Presentations, Lessons 1-13 FULL BUNDLE will save you time and sanity! It has everything you need to deliver the Third Grade ELA, Module 4, Unit 3 created by Expeditionary Learning on EngageNY. TEXTS NEEDED1. The problem (story) and the numbers have been changed from the actual test. This is a review sheet that students can use in class or for homework to prepare them for the NYS Math, Gr. 5, Module 2, Mid-Module Test. This information is not captured or maintained in the system. Answer Key is included. Types: 4th Grade NYS Math Test Prep Math Tasksby These are some math tasks to use for test prep season, usually when students have learned most of the units from the GO MATH! curriculum. It provides templates for the short response and extended response question, as well as literary terms to know. The Units are broken down as follows: Unit 1: Basics of GeoUnit 2: LogicUnit 3: Parallel and Perpendicular LinesUnit 4: Triangle Thm and Intro to CongruenceUnit 5: Triangle Properties and Right TrianglesUnit 6: Properties of QuadrilateralsUnit 7: Similar FiguresUnit 8: Locus, Constructions and Equations of CirclesUnit 9: Properties of Circles (Arcs and Segments)Unit 10: Volume and Surface Area4th Grade NYS Math Test Reviewby Stressing about the 4th grade NYS Math Test? The answer keys are not included, but can easily be found on the actNYS ELA Module 2, Unit 1, Bullfrog at Magnolia Circleby This PowerPoint Presentation corresponds with the Third Grade New York State ELA Module 2, Unit 1, Lessons 1-11. Their work and explanation is assessed on a 1-4 rubric. Then this pack is for you! This ELA Module 2A Writing Tasks Pack includes 9 tasks aligned with the Module 2A texts and the NYS Writing Standards. The strategies in this packet have helped students who entered high school reading years below grade level pass the Common Core English Regents with scores at the College Ready level. Key words: worksheets, maps, geography, world history, global history, continents, geographic features, water, rivers, mountains, Regents, workbook, study aid. Page 5The following Power Point slides contain 74 pages of learning targets, protocols, and directions for all of Grade 6, Module 1, Unit 1. There are two sets of problems include: Are you looking for some review materials to prepare for the mid-module or end-module assessments? Braille Guidance for Duxbury Users: Open the file in Duxbury. They have been modeled after the original Engage NY assessments - but will allow you to know if the students understand the standards and that they are not having difficulty with multiple part problems. We are also utilizing the W3C's accessible Rich Internet Application (ARIA) recommendation to improve the interaction between assistive technology and assessment content. Students who use a screen reader should practice with the updated multiple choice interactions prior to the operational assessment this spring to become familiar with the updated interaction. Compatibility A screen reader is a software application, separate from text-to-speech embedded in TestNav, which conveys web content through audio. Teachers can assign numerical values to each student as a log in, if it is preferred. Topics covered include linear equations and inequalities, operations with polynomials, functions, domain and range, quadratic functions, graphing different kinds of functions, rational and irrational numbers, factoring, correlation coefficients, systems of equations, calculator tips, and more! It is the great tool to help your students prepare for the Algebra Regent Exam or any end of the This was created using a template that was offered on TPT with slight modification. Types: 4th Grade NYS Math Test Prep Gameby I have created this engaging game to better prepare your students for the New York State Math exam. Assign questions for homework, morning work, or integrate into your daily math lesson. It includes an answer key in two formats. Purchase the Global History II - NYS Regents Stimulus-Based Quizzes Packet #4 which includes questions on Human Rights Violations & Genocide, Communist China, Korean War, Vietnam War, The End of the Cold War, and Globalization, EPage 19 Writing response and Painting Craft NYS Domain 2, second grade, Early Asian Civilization, Listening and Learning, Ancient China, Folk Tales, Folk Tale from China, Chinese literature NYS Common Core, NYS ELA, ELA, domain two, Liang and the Magic Paint Brush Ma-Liang and the Magic Paintbrush Writing, Craft, Engage Domain 2 grade 2 You might also like these products: Retrieved Reformation! The review sheets are in Microsoft Word can be modified to meet the needs of your students. This product is ready to print for your students. Progressives. Look no further. I did not make lessons 10 and 11 because after I started making the lessons we were informed that my district has NONE OF THE MATERIAL NEEDED TO TEACH THIS TOPIC! Awesome, right?! So I am posting what I made and hopefully one day when I eventually can come up for air, I will make lessons 10 and 11 and post them. You will get: 3 writing tasks aligned to the text. "If You Lived in Colonial Times". 3rd Grade Math Test Prep BINGO (NYS) by Test Prep Math BINGO game for review before the state tests. This includes: -Mid Module 2 Assessment-Mid Module 2 Assessment Key & Standards -End Module 2 Assessment -NYS Grade 4 ELA Module 1A Writing Tasks Packby Looking for more ways to incorporate writing into the modules? Students can use the space bar to remove the selection. Information on Accessibility Features The full list of accessibility features embedded for all students and accessibility features that need to be identified in advance can be found in the NJ Accessibility Features and Accommodations Manual. If you receive a Page Depth Exceeded error, follow these steps: Open DBT. The lessons are one page each. The mini-posters are to be printed on a standard 8.5"x11" piece of paper. All of the Computer-Based Practice Tests have scoring capability built into the tool. These worksheets help to reinforce the skills that students need to move onto and be successful with the final topic of the first module. This packet has been developed over years NYS Grade 3 Math Module 2, Topic B, Lessons 6-11 Power Point corresponds with the New York State Common Core Math Curriculum. Answer masking, color contrast (background/foreground color) and text-to-speech for mathematics and science, are available for all participating students who need these tools, but need to be identified in advance via the Personal Needs Profile (PNP). One set can be used in class and the other for homework or they can be used across multiple days for long-term review. NEW BUNDLE: Screen Reader Update Beginning Spring 2017 The Multiple Choice (Radio Button) interaction for Screen Reader users has been updated. These practice test questions will expose students to different content, as well as question types, that they will see on this year's NYS test. Types: Need help prepping students for the Part 3 of the New York State ELA Regents Exam? Task cards are arranged 2-per page which can be printed multiple pages per sheet and get 4 per page to save on ink and paper. Question types range from DBQ, multiple choice, political cartoons, central idea, graphs and charts, short answer, maps, and general economics. I developed the presentations as a way to foSubjects: Types: NYS ELA Test Prep-Grade 4 Engage NY Kid Friendly Questionby Are you looking for something that will assist you in helping your students get ready for the NYS ELA assessment? The Power Points follow closely from the lessons on engagement and include visual representations such as scales, beakers and number bonds. The file you will receive is formatted to be printed on Avery labels. As you give the questionsTypes: NYS Math Test Prep Grade 5by This is a great way to start reviewing the New York State Math test. There are 5 questions that are similar to the first five questions in Book 2 of the actual test given in 2010. We often allow students to solve them based on any of the strategies they learned from the unit. It includes notes with accompanying Regents multiple choice questions for each section (all questions are Regents exam questions). Boost math achievement rates in your class with this 17-unit bundle, consisting of 160 scaffolded worksheets with 850+ math problems that cover ALL third grade Common Core State Standards. This resource will save you hours of prep and planning. 3 writing tasks aligned to the text. "The Scoop on Clothes, Homes, and Daily Life in Colonial America." A great assessment resource to assign to your students for homework, classwork, practice, or review for a quiz, test, or exam. The 31 multiple choice questions in this worksheet focus on identifying Landscape Regions of NYS Using the Reference Table Landscape Boundaries Reading and Using Generalized Landscape Regions of NYS ReferencePage 16 This printable Earth science two-worksheet resource contains carefully selected, quality, lesson-specific questions on Generalized Bedrock Geology and Fossils of New York State. 3 writing tasks aligned to the text. "Eagle Song". This first part of this unit uses the text Everything You Need to Know About Frogs and Other Slippery Creatures. At the top of each printable is a skills-focused mini-lesson followed by several Common Core designed, simulated test questionsPage 25 Math Centers for learning numbers 1-20 Counting to 20 Math Centers Included: Three-part matching cards (numeral, word, picture) Memory matching game (picture/word & numeral) Flash Cards (formatted for back to back printing) "War" game (set for 1-10 and set for 11-20 reviews inequalities) Puzzles (numeral, word, picture, set) 2 Sets of worksheets for review: Number/word recognition, counters/Number/word recognition, place on number line (each worksheet reviews 5 number) Page 3 Third Grade NYS ELA Module 4 Building Background Knowledge: Getting to Know H2O, Unit 1, Lessons 1-13 FULL BUNDLE will save you time and sanity! It has everything you need to deliver the Third Grade ELA, Module 4, Unit 1. TEXTS NEEDED1. The video tutorials are accessed through the TestDrive app at InnovationAssessments.com. The ENTypes: These are PowerPoint lessons with tons of animations and awesome measurement graphics for math module 2 topic b lessons 6, 7, 8, 9 only. There is also a table! This is a review sheet that students can use in class or for homework to prepare them for the NYS Math, Gr. 5, Module 4, Mid-Module Test. This is for the teacher's reference when printing reports at the end of the scorable practice tests. The problem (story) and the numbers have been changed from the actual test. NYS Global 9 Enduring Issue Essay, Ancient Rome, "Military Might" + Video Tutorials on Ancient Rome This is an "Enduring Issue" essay prompt modeled after the Independence in India, Africa and South Africa, Zionism and Arab Nationalism (creation of Israel), and the Communist Revolution in China. ** Aligned with New York State Regents in Global History and Geography II** In this bundle, you will get: Review Packet + Answer Key: covers key topics throughout the unit through graphic organizers, document analysis, and essential quesNYS Global 9 Enduring Issue Essay, Ancient India and China, "On Government" + Video Tutorials on Classical China and India This is an "Enduring Issue" essay prompt modeled on the New Regents examinations in New York State. You can create a flip chart that will be a quick and easy reference for teachers. I developed the presentations as a way to follow the formal lesson plans developed by the Expeditionary Learning Company for New York State. The questions require students to apply strategies taught to solve word problems. Large Print Paper Practice Tests can also be printed on 11" x 17" paper with a print size of less than 150% of the standard print. They are broken down by section: Scientific Revolution and Enlightenment, Renaissance and Reformation, Age of Absolutism, Age of Exploration, Golden Ages, Aztec and Inca, Belief Systems, Ancient Greece and Rome, Neolithic Revolution and Egypt and Mesopotamia, Geography and Social Scientists, East Asia Part 1 and Part 2, Africa, Islam, Middle Ages, Byzantine Empire, India and China. Based on old Regents curriculum! Page 22 To create this assessment, I went through all of NYS old 8th grade exams, and pulled every question related to 8.2 Changing Society. It is the only checkbox in this menu. This was created using a template that was offered on TPT with slight modification. It is for students who have completed a study of ancient India and China. Are you a teacher of special needs, ENL, or at risk students? Product includes passcodes to four video lessons with questions on ancient Rome. Each presentation contains the learning targets developed by Expeditionary LearningSubjects: Types: All assessments include multiple choice and short answer and are modeled after NYS testing. Comes with the Teacher Copies of questions and answers, as well as the students BINGO boards and answer choices to put on their boards. Module 4 - All Topics A-H - Lessons 1-33 (33 lessons) 523 Slides. Great for use for a unit on Geography or for Summer School Review. This is a more fun way to practice and to evaluate where your students are and what areas you may need to revisit. Each concept is shown in two ways - a typical (non-calculator) method and the corresponding calculator method. If you have a student who is blind or has a visual impairment and who requires tactile graphics to take the practice tests, please contact assessment@doe.ny.gov. ThiTypes: Page 7 This unit bundle follows the NYS Global History Curriculum. All worksheets are Easel Activities enabled and formatted for online distance learning. Includes: Think-Pair-Share, Making Claims, Inference Making, Fist to Five, Back-to-Back/Face-to-Face, vocabulary strategies (such as context and prefixes) and much more that will help youPage 6 This is a review sheet that students can use in class or for homework to prepare them for the NYS Math, Gr. 4, Module 5, Mid-Module Test. Go to the Global menu and Emboss Setup. This presentation is for Grade 3, Module 2, Topic B, Lessons 6 - 11: Measuring Weight and Liquid Volume in Metric Units. Then laminate, cut down the middle, and attach with a book ring. This exam is given to 5th Grade students in New York State every March. Diagrams are also included where appropriate. Students will write down 24 answers randomly on their sheets and then the teacher will display a question on their computer or projector. This is a BUNDLE of 10 products; each including a packet with an assignment sheet, a practice test, a graphic organizer, and an essay booklet in order to complete a Text-Analysis Response. Because the Progressives unit is so large, I broke it down into three mini-units while teaching which include 1. The problem (story) and the numbers have been changed from the actual test. Page 12 New York, Common core, ELA, GRAIR, Reading Log, Home Reading, Ms Duffy's Dream Product: A reading log recording sheet for Quarter 1, 2, & 3 along with 10 weekly log sheets for 4th quarter, PLUS *I added a bonus sheet that gives the teacher a place to write their own comprehension question to really focus on a skill that was learned throughout the month. Additionally, New Jersey has provided answer keys for educators for all of the practice tests. Enjoy! You may also like, or prefer the lessons on GOOGLE SLIDES (for distance learning), or Power Point slides. Tactile graphics are required for students using Screen Reader or downloadable BRF versions for the Grade 8 ELA and all Mathematics tests because the non-textual information cannot be displayed electronically or printed/embossed via a downloadable BRF file. You will get: 3 writing tasks aligned to the text. "The Inroquois: The 6 Nations Confederacy". Rochelle Strauss, One Well: The Story of Water on Earth (Tonawanda, NY: Kids Can Press, 2007). ISBN: 978-1-55337-954-6. "Let's Get Physical!" in Junior Scholastic (2007, Issue 14), 18-19.3. Expeditionary Learning, "Where in the World is Water?" 4. I have retyped each lesson so it is teacher and student friendly. This type of practice has been used other years and was well liked by both teachers and students. I have included the score/w/4th and 5th Grade MATH NYS Exam Test Prep GAMEBY I Have / Who Has This is a game that covers 4th and 5th grade Mathematics material that appears on the New York State Math exam. The review sheets closely follow the mid-module and end-of-module assessments from engagement, with minor changes to the story problem. Each concept also includes two practice problems. Concepts include are: (1) Evaluating Functions (2) Domain and Range (3) Transformations of Function 5th Grade CC Math Module 4 Complete Topics A-Hy Everything you need to teach the NYS Engage Module 4. Each journal page focuses on important vocabulary and skills from the lesson that will be tested on the final assessment. There are 44 questions on 19 stimuli in this collection in the following categories: Civil War, Reconstruction, Industrialization and reform, Imperialism, World War I, Great Depression, World War II, Cold War, Post War Demographic Change, Page 18 Global History II - NYS Regents Stimulus-Based Quizzes - Globalization, Environmental Issues, Nuclear Proliferation 15 Questions Multiple Choice Stimulus-Based with Answer Key. The problem (story) and the numbers have been changed from the actual test. Page 9 New York State (NYS) Enduring Issues Mini-Postersby These mini-posters colorfully and engagingly display the new enduring issues and themes that are outlined in the New York State (NYS) framework for Social Studies. Skills focus on understanding fractions as represented on a number line, equivalent fractions, and comparing fractions. This 10-page document (with included 10-page answer key) reviews traditional and non-traditional calculator skills useful for the Algebra 1 Regents. This pack has it all! This pack includes: - teacher directions (download the preview to view these) - 2 mid-module review/United States History and Government Regents Review Packetby This is a review packet for the NYS US History and Government Regents Exam. A scaffolded recording sheet is included along with an answer key. actual answer). These themes are applicable to all social studies courses and you do NOT need to work in Ncold War Bundle! NYS Regents Global IIby History and Geography 101 COLD WAR Review + Writing Practice Prepare Students for the NYS Regents with this ultimate bundle! ** Aligned with New York State Regents in Global History and Geography II** In this bundle, you will get: Review Packet + Answer Key: covers key topics throughout the unit through graphic organizers, content analysis, and essential questions. Constructed Responses (CRS): Six separate CRQs to use throughout the unit as classwork, homework or assessments, and for Regents Review. Enduring Issues practiMini Enduring Issues Set Bundle NYS Regentsby Are you looking for a way to prepare your students for the enduring issue question without taking the time to do the entire essay? New Hampshire P4 Preparing students for their study of World History by first focusing on geography is important. I laminate mine and use them with dry erase markers in s This is a review sheet that students can use in class or for homework to prepare them for the NYS Math, Gr. 5, Module 5, Mid-Module Test. Gilded Age, Industrialization, and the Rise of Unions, 2. This gives teachers the opportunity to model the questions with instruction, and then give the students a chance to answer similar question on their own. This unit will save you a tremendous amount of time. Paper practice tests can be printed. This type of practice has been used other years and was well liked by both teachers and students. I have included the score/WYS Whole Geometry Curriculumby This is an entire NYS Integrated Geometry Curriculum. Are you looking for some extra support materials for needs groups? Also, I have included the CCS next to each question. This was created using a template that was offered on TPT with slight modification. Types: Rockin' the Regents - Hot Tips for Students. Toward the end are seven review thematic essays with organizational boxes on the back of each. Do you want to know what taking the Mathematics portion of the NYSLA is like? Emboss the file. *Center activity. 1. BINGO game focusing on vocabulary from the unit and words that will be tested (6 game boards and question cards) Graphics by www.mycuteart.com Next Generation NYS ELA Standards Flip Chartby This product includes all of the NYS Next Generation ELA Standards for grades UPK - Eighth. Now, when students navigate into a multiple choice field, the radio button given focus by the Screen Reader will automatically be selected. I used our school poster maker to make larger versions to hang from Thank you for downloading! This packet was designed to correlate with the NYS common core curriculum Domain 5: Farms for Kindergarten. I also include "test" terminology that they might see, based on the NYS sample tests for 2013. Subjects: NYS Grade 3 Math Module 3 Review Sheetby This document contains review sheets that correspond with Grade 3 NYS Module 3: Multiplication and Division with Units of 0, 1, 6-9, and Multiples of 10. The problem (story) and the numbers have been changed from the actual test. nys Go Math Kindergarten Chapter 11by This bundle contains all lessons in Chapter 11. Immigration and Expansion, and 3. Students have room to write the definition as well as to include either examples or a drawing to help aid in understanding. I also included duplicates of the posters, in black and white, or in colors, and with varying readable fonts. I printed these posters at 11x8 and mini posters near my guided reading table. All Units are broken down into separate PDF files. There are 10 total review topics that can be printed all together to build one large review packet or given in separate, individual assignments. Change the form size to wide with 11" paper or 11.5 x 11 inch paper if using 11.25x4.
