Towable Limited Warranty, special body company, By belonging to the Starcraft Camper Club, assembler, equipment installer or uplifter is you will find new ways to enjoy your RV and solely responsible for warranties on the body make... Page 9 SECTION 1 STARCRAFT TOWABLE WARRANTY & SERVICE ATTENTION! Notice of: CHANGE OF ADDRESS CHANGE OF OWNERSHIP TOTALED DESTROYED Check applic able block(s): STOLEN PLEASE PRINT OR TYPE Federal record keeping laws require that we maintain a file of owners of our RVs. This form must be completed by the RV owner in the case of change of address, stolen or destroyed RV, and by the RV purchaser in the case of change of ownership. Page 10 If an authorized Starcraft dealer is not located the local telephone yellow pages. Or nearby, contact your selling dealer for contact Starcraft Customer Service or assistance. If your dealer is closed, check... Page 11 Parts for Starcraft RVs distributed exclusively by authorized Starcraft dealers. Starcraft does not sell parts retail direct or to non-authorized dealers. If an original part is no longer available, Starcraft will try to provide an appropriate substitute. 1 - 7... Page 12 The warranty period begins on the date that the RV is delivered to the first retail purchaser by an independent, authorized dealer of Starcraft, or, if the dealer places the vehicle in service prior to retail sale, on the date the RV is first placed in such service. RV, or if it has taken longer than thirty (30) days for those types of repairs to be completed, you must, to the extent permitted by law, notify Starcraft directly, in writing, at the above address, of the unsuccessful repair(s) of the alleged defect(s) so that Starcraft can become directly involved in making sure that you are provided service pursuant to the terms of this limited warranty. Page 14 Starcraft. Failure to file this warranty registration with Starcraft will not affect your rights under this limited warranty as long as you can present proof of purchase, but it can cause delays in obtaining the benefits of this limited warranty, and it may inhibit any servicing facility's ability to provide... Page 15 WHAT AND WHO IS COVERED The Starcraft limited tent warranty covers the tents on the bunk ends of the slide rooms of this travel trailer, when the RV is used only for its intended purpose of recreational travel and camping. This warranty covers parts, labor and freight for the first (1) year and parts, Starcraft factory labor and return freight from Starcraft for an additional six (6) years. Page 16 Starcraft provides with the RV in any fashion. It only supplements the Starcraft limited warranty to provide for a limited, seven (7) year tent warranty (covering parts, labor and freight for the first (1) year and parts, Starcraft labor and return freight from Starcraft for an additional six (6) years). Page 17 RV. The rental warranty, located on pages 14-16, applies in that situation. If, on the other hand, the Starcraft dealer sells this RV to a retail customer then the rental warranty would not be applicable. The rental... Page 18 Dealer only, and it is not transferable. The warranty period begins on the date that Dealer first places the RV in rental service. In the event that a substantial defect in material or workmanship, attributable to Starcraft, is found to exist during the warranty period, Starcraft will reimburse the Dealer either the reasonable costs of repair or the reasonable costs of replacement of the defect, (Starcraft's option), in accordance with the terms, conditions and limitations of this... Page 19 RV to you. These items are usually detected and corrected at the factory. You must inspect the RV for this type of damage when you take delivery from Starcraft. If you find any such defect or damage you must notify Starcraft within three (3) days of delivery of the RV to you to have these items covered by this limited warranty and to have work performed on the items covered by this limited warranty. Page 20 In addition, this warranty is not intended to extend to future performance, and nothing in this warranty, or any action of Starcraft, or any agent of Starcraft, shall be interpreted as an extension of the warranty or this limitation period. Page 21 SECTION 2 TOWABLE OCCUPANT SAFETY 3. If it is large, or the fire is fuel-fed, get clear ECONDARY EANS OF SCAPE OF THE RV and have the Fire Department INDOV handle the emergency. Your RV has been equipped with a window(s) 4. Page 22 SECTION 2 OCCUPANT SAFETY TOWABLE There are instances when the smoke detector alarm may not be heard. Though the alarm Do not check the pressure, test or practice horn in this detector meets or exceeds current using the fire extinguisher by squeezing UL standards, it may not be heard for many trigger, even... Page 23 SECTION 2 TOWABLE OCCUPANT SAFETY Regardless of the manufacturer's suggested battery life, you MUST replace the battery once the smoke alarm starts "beeping" (the Test the smoke alarm operation after the low battery warning). vehicle has been in storage, before each trip and at least once per For information on the correct battery and week during use. Page 24 SECTION 2 OCCUPANT SAFETY TOWABLE The carbon monoxide detector installed is The following symptoms are related to intended ordinary indoor carbon monoxide poisoning and should be locations of recreation vehicles. It is not discussed with members designed to comply with Occupational household: Safety and Health Administration (OSHA) Mild exposure: Slight headache, nausea,... Page 25 SECTION 2 TOWABLE OCCUPANT SAFETY If your alarm reactivates within a 24-hour period, repeat steps 1-4 and call a qualified appliance technician investigate The alarm will automatically sense when sources of carbon monoxide from fuel burning the level of carbon monoxide in the air equipment and appliances, and inspect for reaches below dangerous levels. SECTION 2 OCCUPANT SAFETY TOWABLE Repair or replace the combination carbon monoxide/propane alarm when the alarm no longer functions. As with any electronic product, it has a limited life. Alarms that do not work cannot protect you. ☐ NOTE: The carbon monoxide/propane alarm manufacturer strongly recommends replacement of the detector five years after the date of purchase. "burnish" fit or "seat" the shoes to the brake drum. After the initial break-in period your brake shoes Vehicle weight labels are posted on Starcraft must be adjusted accurately for best manufactured RVs so you can make a performance and increased durability. Page 28 If you have further questions, please contact countertop, cooking pans on the range or your dealer or Starcraft Customer Service. free-standing furniture items can become dangerous projectiles during a sudden stop. 3 - 2... Page 29 SECTION 3 STARCRAFT TOWABLE PRE-TRAVEL INFORMATION Distribute cargo side-to-side so the weight on Have your RV weighed periodically at a each tire does not exceed one-half of the public scale to determine the proper load GAWR for either axle. For traveling safely, it distribution.
